Zipporah Beauty, LLC Product Review - Green Tea Hair & Body Butter

Hi lovely naturals! I am bringing a product review of the Zipporah Beauty Green Tea Hair & Body Butter that I received as a sample item at the recent natural hair meet up I attended. Yall, I have to be honest...I am LOVING the results that this product has yielded! I styled my hair in 2 strand twists with just water and this green tea butter. Several days later with daily moisturizing my twists STILL have moisture! Even in the AM when I've removed my bonnet! My hair tends to be dry, so any products with butters or creams I am slowly learning work the best for defining my twists and retaining moisture! YAY! Please feel free to check out the website and search other YT Zipporah Beauty, LLC product reviews! www.zipporahbeauty.com or dkjames5 (youtube channel) Also, if anyone is interested in a t-shirt from Nappy go.lucky, please feel free to contact me and I will provide you with the vendors info. I may post it if I get her permission to do so! Nappy go.lucky vendor info: www.etsy.com/shop/nappygolucky (Please do NOT add dot.com or the link will not come up!) Blessings always! Patience IS Progress! **Disclaimer: both items reviewed were either purchased or a free sample item to try from a natural hair meet up! I love supporting any minority businesses with great products!**
